

SESSION – 2024 -25

Date	Description
8 th JULY	VISIT TO THE LIBRARY
	<p>During their visit to the library on 8th July, 2024, the students of Grade V were introduced to the systematic arrangement of books, learning how they are categorized and shelved according to genres and subjects. They observed how each book is labelled with a call number, making it easier to locate specific titles. The librarian explained the importance of following library rules such as maintaining silence, handling books with care, and returning them on time. The students eagerly participated in the guided tour, asking questions about different sections and discovering new books to explore.</p>
