

SESSION - 2024 -25

Date	Description
September	<h2>Ravan Making</h2>
	<p>To celebrate the spirit of Dussehra, the young learners of Bal Vatika at BBPS Manesar engaged in a creative and fun-filled "Ravan Making" craft activity. The activity aimed to introduce the children to the significance of the festival while enhancing their motor skills and creativity.</p> <p>The children enthusiastically crafted vibrant and colorful effigies of Ravan using paper, sticks, and other decorative materials. Guided by their teachers, the little ones learned about the symbolism behind Ravan's ten heads, which represent various negative emotions and traits that can be overcome by virtues like wisdom and kindness, as showcased in the epic Ramayana.</p> <p>Through this hands-on activity, the children not only expressed their artistic talents but also imbibed the core message of Dussehra—victory of good over evil. The day was filled with excitement and pride as the little Ravans took form, reminding everyone of the festival's timeless values.</p>
