“It is more important to click with people than to click the shutter.”

Description:

2 Students of Bal Bharati Public School Manesar along with Ms. Jyoti Sharma from Photography Club of the school attended the Shutterbug- The Photography Workshop 2024, held at HT Media Group, Bharatiya Lotus Tower on 31th July 2024. The workshop was regarding the Photography and Artificial Intelligence: Concern, Ethics, and the Future. The workshop was hosted by Paroma Mukherjee, who is a photographer, photo editor and writer. She is the Head National Photography Desk at Hindustan Times New Delhi.

Purpose:

The workshop was about how Artificial Intelligence is used in Photography and how we should use AI in an effective way. The workshop was also useful as it made the students learn about how to differentiate between real and AI made images. It was a very informative workshop as it guided the students about photo journalism.

Glimpses of the workshop:
