

## SESSION – 2024 -25

Date	Description
September	<b>Winnie the Pooh</b>
	<p><b>An exciting activity was organized for the little artists of Bal Vatika 2 at BBPS Manesar, where they immersed themselves in the world of their favorite toy, Winnie the Pooh! The students were provided with a giant outline of Winnie the Pooh spread across the floor, and each child got the opportunity to color their favorite sections of the beloved character.</b></p> <p><b>This hands-on, creative experience not only allowed the children to explore their imagination but also fostered teamwork as they collaborated to complete the enormous figure. With crayons and brushes in hand, they brought Winnie the Pooh to life with vibrant colors, reflecting their joy and enthusiasm.</b></p> <p><b>The activity encouraged self-expression, improved fine motor skills, and left the kids with a sense of accomplishment as they admired their colorful creation. It was truly a delightful and enriching experience for all!</b></p>
