Date	Description
11th DECEMBER	Crisis Chronicle
	<p>The activity Crisis Chronicle was conducted with the aim of fostering analytical thinking, teamwork, and problem-solving skills among students.</p> <p>The primary goal was to engage students in collaboratively analysing a challenging scenario and proposing practical solutions.</p> <p>In this activity, students worked in groups to analyse a challenging scenario and propose practical solutions. Each group was presented with a simulated real-world crisis and tasked with identifying key issues, brainstorming ideas, and developing viable strategies to address the situation. The facilitator provided an overview of the scenario, setting clear objectives to guide the discussion. Then each group presented their strategies through enactment.</p> <p>In conclusion, Crisis Chronicle was a highly successful exercise that met its objectives and provided students with valuable learning experience.</p>
