

Activity Name: SYMBOLIC SYMMETRY

Grade-2

Date: 18-October- 2024

Description: An Inter-House competition for juniors was held on 18-10-24 within the school premises. The topic for the event was Symbolic Symmetry. Students frequently created artwork inspired by national symbols. This included paintings, pasting, and coloring that reinterpreted the national flag, flowers, and the national bird. Through these mediums, they explored the meanings behind each symbol. The students' creativity in engaging with national symbols not only enriched their understanding of their country's heritage but also fostered a sense of belonging and community. Through various artistic and intellectual expressions, they contributed to a vibrant dialogue about identity, culture, and the values that shape their nation.
