

SESSION – 2024 -25

Date	Description
20th November	PRIDE PALETTE
	<p>The poster-making competition on the theme "My School and My Pride" was successfully conducted with great enthusiasm and creativity on 20th November. The event provided an excellent platform for students to express their love and admiration for their school. Participants delved into various aspects of their school life, highlighting the values of academic excellence, the vibrancy of extracurricular activities, the unwavering support of their teachers, and the unforgettable memories they've created over the years.</p> <p>The colorful and imaginative posters showcased the students' artistic skills and heartfelt connection to their school. It was heartwarming to witness their pride reflected in their work.</p> <p>The competition concluded with a display of the posters, leaving everyone inspired by the students' talent and school spirit. The event was a resounding success and a testament to the strong bond between the school and its students.</p>
