Date	Description
22th November	UNITY CANVAS
	<p>BBPS, Manesar conducted the "Unity Canvas: Stamp Out Bullying" activity to raise awareness about the impact of bullying and promote unity among students. The event began with a brief discussion on bullying's consequences, followed by students collaboratively creating a "Unity Canvas." Each student was motivated to advocate kindness and inclusion.</p> <p>This engaging activity integrated Social Studies (understanding community values and social behavior), Art (creative expression through drawing and colouring), and Language Arts (writing meaningful pledges/slogans). The learning objective was to foster empathy, respect, and teamwork while empowering students to contribute to a bully-free environment. The vibrant canvas now serves as a powerful visual reminder of our school's commitment to unity and kindness.</p>
