M A N E S A R

**Activity name: COMIC DESIGN WIZARD**

**Class: VII**

**Date: 02-08-2024**

**Description:**

The class activity involved students creating a visual storyboard using the "Storyboard That" software to illustrate key scenes from their favourite stories, enhancing their understanding of narrative structure and creativity.

**Learning Outcomes:**

- Students developed their storytelling skills by visually organizing and sequencing events, enhancing their comprehension of narrative elements.
- Students improved their digital literacy by using "Storyboard That" to create engaging visual presentations, fostering creativity and collaboration.

**Glimpses:**
