PUBLIC SCHOOL

M A N E S A R

Activity name: BLOGGING WIZARD

Class: VII

Date: 11TH July

Description:

The class activity involved students creating and publishing their own blogs, focusing on topic selection, research, writing, and digital presentation. This hands-on exercise enhanced their writing skills, digital literacy, and ability to engage with an audience.

Learning Outcomes:

- Students developed key skills in writing, research, and digital content creation, enhancing their ability to engage audiences effectively.
- They also gained practical experience with blogging platforms and digital communication strategies

Glimpses:
