**ORGANIZED BY: Bal Bharati Public School, Manesar, Gurugram**

**DATE : 11<sup>th</sup> April 2025**

**VENUE: Respective Classes**

**CLASS PARTICIPATED :1<sup>st</sup>**

#### **Description:**

🌱 Our little Grade 1 innovators had a fantastic time connecting with nature through their “Nature Collage” activity under the DIY and Innovation Club! 🌀 They creatively used dry leaves, twigs, flowers, and seeds to make beautiful collages. This hands-on activity fostered creativity, fine motor skills, and innovative thinking, all while encouraging students to repurpose natural materials. What a wonderful way to learn and appreciate the beauty around us! 🌍
