**"Art is not freedom from discipline, but disciplined freedom."**

#### **Description:**

An enriching Collage Making activity using waste papers was organized on 11<sup>th</sup> April 2025 at BBPS Manesar. The event witnessed active participation from students of SUPW Club. Under the guidance of teachers, students creatively reused old newspapers, magazines, and discarded papers to design imaginative collages based on diverse themes such as nature, unity, festivals, and social awareness.

#### **Purpose:**

The primary objective of the activity was to foster environmental consciousness by promoting the concept of 'Best out of Waste'. Simultaneously, it aimed to encourage creative expression, aesthetic skills, and innovative thinking among students.
