“Har din ho Swachhta ka, har pal ho Vikas ka!”

Description :

The Cultural Club students of classes 6C, 7C, 8C, and 9C came together on 25th April 2025 to lead a vibrant Swachhta Rally and Cleanliness Drive. With spirited slogans and colorful banners, they marched through BBPS MN and Sector 1 Market, spreading the powerful message of cleanliness. Students performed an engaging street play (Nukkad Natak) that captivated the local crowd and stirred awareness about hygiene. Later, they actively cleaned the surroundings, inspiring shopkeepers and residents alike. Their energy, commitment, and sense of responsibility lit up the day, reminding everyone that a cleaner tomorrow begins with each of us today.

Purpose:

The Swachhta Rally and Cleanliness Drive aimed to ignite a sense of responsibility among students and the community towards maintaining a clean environment. Through street plays and hands-on cleaning efforts, the students sought to spread the powerful message that true change begins with each one of us. The initiative encouraged active participation, built awareness, and

inspired a collective commitment to a cleaner, healthier future.
