Dear Parents

We are delighted to inform you that our school has received official affiliation from the National Cadet Corps (NCC). Starting from the academic session 2025–26, we will be launching Level-1 NCC training for students of Class VIII.

The National Cadet Corps (NCC) was established in 1948 under the Ministry of Defence. It aims to nurture qualities such as discipline, leadership, teamwork and patriotism among students. Participation in NCC provides students with exposure to adventure activities, community service and national-level camps, building their self-confidence and preparing them to be responsible citizens. Students with NCC Certificate get preference in Armed Forces (Army, Navy, Air Force) and also benefit in paramilitary recruitment (CRPF, BSF, etc.). Many government and private jobs give weightage to NCC certification. Scholarships, reservations and special marks/credits are also available in some states and universities. For more details kindly visit the official website of NCC - <https://indiancc.mygov.in/>
