## Circular

Dear Parents

The Ministry of Education has launched the \*Rashtriya e-Pustakalaya (ReP)\*, a wonderful initiative under the “Read India” Campaign to encourage a lifelong love for reading among children and adolescents.

ReP provides FREE access to more than 2,500 story and informative books in 23 languages (including English), published by the National Book Trust (NBT). The application is available on Android, iOS, and the Web, supporting schools in creating inclusive digital libraries.

We request your kind support in encouraging your ward to enhance their interest in reading books to benefit themselves. Kindly ensure that your ward downloads and registers on the ReP App at the earliest.

The Registration Guide is attached with this circular for your convenience.

Warm Regards

Akanksha Sehgal Setia  
Vice Principal

Harsh Kumar  
Principal
