

SESSION – 2024 -25

Date	Description
11th FEBRUARY	FIRE SAFETY & EVACUATION DRILL
	<p>A fire safety and evacuation drill session was successfully conducted at Bal Bharati Public School Manesar on Tuesday, 11th February 2025 in the presence of Mr. Lalit Kumar, Fire Inspector, IMT Manesar and Mr. Tarun Khatkar, Navrang Fire & Safety Solutions. The drill aimed to educate and prepare students and staff on emergency evacuation procedures during a fire and adherence to safety protocols. The drill began with a simulated fire alarm, prompting students and staff to respond promptly to the fire alarm and evacuate the premises immediately thereby demonstrating a good understanding of the evacuation procedure. Students and staff assembled at the designated assembly points, where attendance was taken. The school's emergency response team demonstrated effective communication and coordination during the drill and the techniques to save the distressed people in real-life situations. The use of fire extinguishers was well-demonstrated to all. The fire drill session was a valuable</p>

	<p>exercise and the school will continue to conduct regular drills to ensure that everyone is equipped to respond promptly and safely in the event of a fire emergency.</p>
