Month	Description
FEBRUARY	VISIT TO NGO
	<p>Interact Club members of BBPS, Manesar visited Naya Swera, an NGO located in Ram Pura, Gurugram, with the intention of contributing to a noble cause—donating warm clothes to children from underprivileged backgrounds. Naya Swera is dedicated to empowering and supporting children in need, and the Interact Club aimed to spread warmth and kindness by addressing the immediate need for warm clothing during the chilly winter months.</p> <p>The primary goal of the visit was to provide warm clothes such as sweaters, jackets, and scarves to the children at Naya Swera, helping them stay warm and healthy during the winter season.</p> <p>This act of charity aligned with the Interact Club’s mission to serve the community. The club members collected warm clothes from students and staff over the past few weeks. On the day of the visit, the team brought these clothes to the children at Naya Swera. The clothing items were carefully organized, ensuring that each child received items that fit their needs.</p> <p>The Interact Club extends sincere thanks to all those who donated clothes, as well as</p>

to the staff at Naya Swera for their warm hospitality and the opportunity to contribute to such an important cause.
