Astronomy Club Report

Date: 6 December 2025

Classes: 6 to 8

Assessment Test of Astronomy Club Activities

An assessment test was conducted for students of Classes 6 to 8 to evaluate their understanding of all the activities covered during the Astronomy Club sessions. The aim of this assessment was to reinforce learning, identify conceptual clarity, and encourage scientific thinking among students.

Activities Assessed:

- Cosmic Vocab Challenge
- Broadcast Featuring Indian Astronaut Shubhanshu Shukla Directly from the ISS
- Build a Simple Telescope
- Rocket Launcher Activity

Glimpses:
